

ALL EMPLOYERS MUST

Report the in-patient hospitalization or the death, or probable death of any employee within 8 hours to the Department of Labor and Industries.

To report, contact your nearest L&I office by phone at the following numbers:

DOSH HOTLINE

1-800-423-7233

OR

STATE OSHA HOTLINE

1-360-902-5800

You will most likely leave a voicemail as the hotline receives calls 24/7 and receive a call back from the department.

Your report must include:

- **Establishment name**
- **Location of the incident**
- **Time of the incident**
- **Number of fatalities or hospitalized employees**
- **Contact person**
- **Phone number**
- **Brief description of the incident**

Fatalities or hospitalizations that occur within 30 days of an incident must also be reported.

All amputations or loss of the eye must be reported within 24 hours.
