

Most claims are resolved quickly and without expensive court cases, but you may come across a claim that would benefit from a legal review. Approach is networked with attorneys who represent a variety of legal specialties and we are able to leverage our relationships within this network to obtain complimentary, flat or reduced-rate reviews.

What Can be Accomplished in a Complimentary Attorney Review?

Facts & Evidence

An attorney will evaluate the merits of a claim and determine if additional facts and evidence would be needed.

Cost Benefit

A cost analysis evaluation should be completed to insure that there will be a positive financial return on investment.

Legal Plan

Establishing a plan of action creates a framework that all parties can work within for budgeting, communication, and outcome purposes.
